## **Community Update**

The Public Open House for the Official Plan Review, scheduled for March 30<sup>th</sup>, is being cancelled. Please note the memo from the consultants. Meanwhile you may still contact us for any comments or concern, and please complete the on-line survey if you have not already done so.

Council has also suspended its regular Council Meetings and public budget review due to the coronavirus. The proposed 2020-21 budget is therefore being published on the website. Please let us know if you wish to see any changes made.
