**The municipality is needing to update its *Official Plan & Zoning Bylaws*, last revised in 2003. We have therefore contracted with an Official Planning Firm and will be holding public consultations for your input. We are scheduling meetings with stakeholders and residents on March 30-31<sup>st</sup>, with an *Open House at the Club 50 Building from 5:00-7:00 pm on Monday, March 30<sup>th</sup>* with light refreshments served. Anyone wishing to inquire on the process or content is also free to contact us. Following the public's input and further planning, we will hold a *final Public Meeting at 7:00 pm on Wednesday, May 20<sup>th</sup>* with the proposed draft. This will then be adopted during the Regular Council meetings in the summer if acceptable.**

**Please do not hesitate to outline any vision or concern issues – the *Official Plan & Zoning Bylaws* is the official document that guides your Council for future management and development within the community.**
