1. Called to Order

Roger Gallant, the Mayor, called the meeting to order at 6:36pm with 1 resident in attendance.

2. Abram-Village Official Plan & Zoning Bylaw Proposed Amendments

Roger Gallant explained that the purpose of the meeting was give residents an opportunity to review and comment on a proposed amendment involving the rezoning of Parcel #602607 at 8785 Rte 11 from residential to commercial. Roger Gallant then declared he was in a Conflict of Interest as the property in question was owned by his daughter and son-in-law, therefore he removed himself from the meeting.

Pierre Arsenault then explained to the resident in attendance the particulars of the property and request. He explained that in September a neighboring property owner had initially phoned and then approached him in the office with some concerns, and that this public meeting was to provide an opportunity for further comment. He asked if the resident had any questions, comments, or objections to the proposal and the resident had none, indicating he was fine with proceeding with the rezoning.

Pierre Arsenault also reported that there were no other written or verbal comments or objections noted or received on this issue. He reported he had requested the neighbor send written notification of any concern in September, but nothing was submitted.

Roger Gallant then returned to move this public meeting adjourned.
